

## TCB POETRY

This section is a space for all poets to showcase their work. There is no hierarchy, no theme requests, no preferred verse styles or length. All we ask is that it is your original work and that you follow our submission guidelines.

Whether you are new to writing poetry or you are a poet who has been widely published, we encourage you to submit.

### SUBMISSION GUIDELINES

1. Please put the word **POETRY** as the title of your submission email.
2. All poems should be emailed as attachments, in PDF format. If you are sending multiple poems (max 4) please ensure they are on separate pages of the PDF.
3. Put your full name next to the title of each poem.
4. Copyright your work to you directly underneath each poem (ie: © My Name)
5. At the bottom of the final page, please include a max 50-word bio in the 3<sup>rd</sup> person. On a separate line underneath, please share the title of your favourite poem, no explanations necessary, ie: My favourite poem: xxxxxx

Submissions Address: [EDITOR@THECOMMONBREATH.COM](mailto:EDITOR@THECOMMONBREATH.COM)

We are a very small team with a high volume of submissions, which means we are unable to give individual feedback. We ensure we give every submission our time and consideration, so please be patient while you await a response. It may take up to 8 weeks.
